

How to Become Certified To Teach Boating Safety In the Agriculture Classroom

1. If you would like to teach the **Boat Virginia** course in your classroom, contact the regional coordinator for the area where you reside.
(See map below.)
2. Fill out the online instructor application at
<https://virginia.volunteers.kalkomey.com/>
3. Once you have applied, you will receive further instructions from the *Virginia Department of Wildlife Resources*.
4. When your application has been processed and approved, you will be trained by your regional coordinator.
5. You must also complete a state-certified boating safety class.
