

Small Animal Care Information Sheet – 2026

Practicum #1

Each contestant will answer 10 questions related to small animal equipment, feed, medications, etc. Each station will have a picture of an animal, and contestants will be asked to identify which of the 4 possible responses does not relate to the picture. The pictures of the animals will be taken from the Small Animal Care Breed Identification List. The answers for each question may not be limited to the equipment and feeds lists.

Example:

a.

b.

c.

d.

Time Limit: 15 minutes

Scoring – 5 points each, Total of 50 points

Practicum #2

Each contestant will answer 10 questions about the cat breeds on the Small Animal Care Identification sheet. Questions may include, but are not limited to: breed characteristics, handling, diseases and ailments, etc. Contestants may have to identify breeds before answering the questions. Each question will have 4 possible answers from which to choose.

Time Limit: 15 minutes

Scoring – 5 points each, Total of 50 points

Contact Abbi Copp at aecopp@shenandoah.k12.va.us if you have any questions.
